This is my first 2-volume series!! I'm so happy!! The plot is different from my previous works and involves a god. Here I am, writing my second non-one-shot story. I wonder if people will like it. I hope you all enjoy it.

DID SOMEONE CALL MY NAME JUST NOW?
HMM?
DUNNO

神様(かみさま)の言(い)うとおり①

美森(みもり)青(あお)

This is Mimori Aoi writing. If this is your first time reading one of my works, I'm pleased to meet you. I'm very happy that you picked up my book. For those who've always followed my works... you're probably thinking "What?" "A fantasy?" "Is this really by Mimori Aoi?" "Huh???" Rest assured, I truly wrote this story and it's completely authentic. Trust me, I didn't know I had this side to my personality either... I even surprised myself. However, I've always loved reading fantasy-type manga like "Devil's Bride," "Save My Earth," and "Silver-day Fairytale," etc. I'm having a lot of fun writing this series so I hope that all of you enjoy it.

This volume also has an extra illustration gallery at the end, so please take a look at it! Well then, enjoy!!

Now that I think about it, things have been weird since this morning...
First, I set my alarm clock, but for some reason it didn't go off.
Whoa!

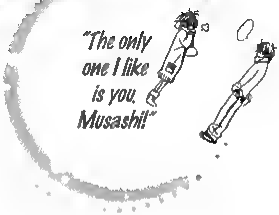
I'd decided a long time ago...
Oh, no! Oh, no! Oh, no! Oh, no!
I..
I LIED!
...

...that although Musashi says mean things, he's actually really nice,

and that someday, when I become...



...a better girl who won't let Musashi down, I was going to confess to him.

...
That was the worst confession ever...

When I needed help, he always came to me,
and he listened to even my stupid problems.
I've never been ignored by him before.
Did he...

"Confess."
BUT NEVER MIND
I FEEL STUPID THINKING ABOUT IT ANY-MORE.
BECAUSE I'D BEEN THINKING ABOUT HOW TO CONFESS TO YOU, TOO.
